While you may want a cargo trailer for obvious reasons — like hauling equipment, tools, and other assorted gear — there are lots of other great reasons to want a Road Force®. Designed and built by WELLS CARGO, the company that pioneered the cargo trailer industry almost 50 years ago, the feature-rich Road Force® delivers a whole new level of value. From the rugged tubular steel main rails to the all aluminum anti-rack cam bar, the Road Force® is no stranger to quality. So for the price of an “ordinary” trailer, you can step up to the quality and value of the “extraordinary” Road Force®.

## Build your own Road Force® with value packages . . .

Choose from 10 different value packages including:

- Side Door Package
- Ramp Door Package
- Basic Electrical Package
- Deluxe Electrical Package
- Safety Package
- Basic Liner Package
- Deluxe Liner Package
- Premium Liner Package
- Motorcycle Package
- Flash Package

Or, select individually from our impressive list of customizing options.

## Customizing Made Simple

Deciding what individual options you want on your Road Force® can be a little overwhelming at times. There are just so many choices. However, with our unique "Value Package" approach to customizing, it's never been easier to design your job-perfect trailer. We've assembled some of our most popular options and grouped them together for substantial savings . . . not to mention ordering convenience. Shown here is a standard 6' x 10' Road Force® decked out with four separate value packages\*. The end result is a fully customized motorcycle trailer with plenty of flair!

If a la carte customizing is more your style, you can still select from our impressive list of individual options. See your local Wells Cargo dealer for a complete listing.

*\*Value Packages: RF-P1, RF-P2, RF-P9 & RF-P10*
